Write up of Success Story (about 500 ords)	<p>From 2012-13 Lukash hembrm has organized F.I.G. In this group there are total 15 male female workers, Lukash is chairman of the F.I.G. In F.I.G total save is 7900 Rs. Along with domesticating goats this group also performs farming. she encourage all he group members by her hard works. that she had done. Herself she has done farming of Arhar in one acre land and whenever she got time, she explains about crops to her group members. He also does harvesting of crops in front of the members to sow to harvest the crops properly result in the increase of stre By seeing this they have decided that this year they will do the farming of Arhar. They had talked to B.T.M to provide them the seeds of Arhar and as such they have been provided. Timely, the members of group has done the cultivatsin. All the members of group are happy by seeing this , and are hoping for their good payment. By the successful and hard working of Lukash hembram all other farmers are coming to see their group hard working. She tell In future Lukashembram try to make all the men and women interdependent and will try to encourage them to do their work carefully and kindly.</p>
